Subpart A—Organization

AUTHORITY: Secs. 5, 48 Stat. 1068, as amended; 47 U.S.C. 155.

GENERAL

§ 0.1 The Commission.

The Federal Communications Commission is composed of five (5) members who are appointed by the president subject to confirmation by the Senate. Normally, one Commissioner is

appointed or reappointed each year, for a term of five (5) years.

[53 FR 29054, Aug. 2, 1988]

§ 0.3 The Chairman.

(a) One of the members of the Commission is designated by the President to serve as Chairman, or chief executive officer, of the Commission. As Chairman, he has the following duties and responsibilities:

(1) To preside at all meetings and sessions of the Commission.

(2) To represent the Commission in all matters relating to legislation and legislative reports; however, any other Commissioner may present his own or minority views or supplemental reports.

(3) To represent the Commission in all matters requiring conferences or communications with other governmental officers, departments or agencies.

(4) To coordinate and organize the work of the Commission in such a manner as to promote prompt and efficient disposition of all matters within the jurisdiction of the Commission.

(b) The Commission will, in the case of a vacancy in the Office of the Chairman of the Commission, or in the absence or inability of the Chairman to serve, temporarily designate one of its members to act as Chairman until the cause or circumstance requiring such designation has been eliminated or corrected.

[32 FR 10569, July 19, 1967]

§ 0.5 General description of Commission organization and operations.

(a) *Principal staff units.* The Commission is assisted in the performance of its responsibilities by its staff, which is divided into the following principal units:

- (1) Office of Managing Director.
- (2) Office of Engineering and Technology.
- (3) Office of General Counsel.
- (4) Office of Plans and Policy.
- (5) Office of Public Affairs.
- (6) Office of Legislative Affairs.
- (7) Office of Administrative Law Judges.
- (8) Office of Inspector General.
- (9) Mass Media Bureau.

§0.11

- (10) Common Carrier Bureau.
- (11) Wireless Telecommunications Bureau.
- (12) International Bureau.
- (13) Cable Services Bureau.
- (14) Compliance and Information Bureau.

(b) Staff responsibilities and functions. The organization and functions of these major staff units are described in detail in §§0.11 through 0.151. The defense and emergency preparedness functions of the Commission are set forth separately, beginning at §0.181. For a complete description of staff functions, reference should be made to those provisions. (See also the U.S. Government Organization Manual, which contains a chart showing the Commission's organization, the names of the members and principal staff officers of the Commission, and other information concerning the Commission.)

(c) *Delegations of authority to the staff.* Pursuant to section 5(c) of the Communications Act, the Commission has delegated authority to its staff to act on matters which are minor or routine or settled in nature and those in which immediate action may be necessary. See subpart B of this part. Actions taken under delegated authority are subject to review by the Commission, on its own motion or on an application for review filed by a person aggrieved by the action. Except for the possibility of review, actions taken under delegated authority have the same force and effect as actions taken by the Commission. The delegation of authority to a staff officer, however, does not mean that he will exercise that authority in all matters subject to the delegation. In non-hearing matters, the staff is at liberty to refer any matter at any stage to the Commission for action, upon concluding that it involves matters warranting the Commission's consideration, and the Commission may instruct the staff to do so.

(d) *Commission action.* Matters requiring Commission action, or warranting its consideration, are dealt with by the Commission at regular monthly meetings, or at special meetings called to consider a particular matter. Meetings are normally held at the principal offices of the Commission in the District

47 CFR Ch. I (10–1–97 Edition)

of Columbia, but may be held elsewhere in the United States. In appropriate circumstances, Commission action may be taken between meetings "by circulation", which involves the submission of a document to each of the Commissioners for his approval.

(Secs. 4(i), 303(r) and 5(c)(i), Communications Act of 1934, as amended; 47 CFR 0.61 and 0.283)

Subpart B—Delegations of Authority

AUTHORITY: Sec. 5, 48 Stat. 1068, as amended; 47 U.S.C. 155.

EDITORIAL NOTE: Nomenclature changes to subpart B appear at 37 FR 19372, Sept. 20, 1972.

GENERAL**§ 0.201 General provisions.**

(a) There are three basic categories of delegations made by the Commission pursuant to section 5(c) of the Communications Act of 1934, as amended:

(1) *Delegations to act in non-hearing matters and proceedings.* The great bulk of delegations in this category are made to bureau chiefs and other members of the Commission's staff. This category also includes delegations to individual commissioners and to

§0.203

boards or committees of commissioners.

(2) *Delegations to rule on interlocutory matters in hearing proceedings.* Delegations in this category are made to the Chief Administrative Law Judge.

NOTE TO PARAGRAPH (A)(2): Interlocutory matters which are not delegated to the Chief Administrative Law Judge are ruled on by the presiding officer by virtue of the authority vested in him to control the course and conduct of the hearing. This authority stems from section 7 of the Administrative Procedure Act and section 409 of the Communications Act rather than from delegations of authority made pursuant to section 5(c) of the Communications Act. (See §§0.218 and 0.341.)

(3) *Delegations to review an initial decision.* Delegations in this category are made to individual commissioners, to panels of commissioners.

(b) Delegations are arranged in this subpart under headings denoting the person, panel, or board to whom authority has been delegated, rather than by the categories listed in paragraph (a) of this section.

(c) Procedures pertaining to the filing and disposition of interlocutory pleadings in hearing proceedings are set forth in §§1.291 through 1.298 of this chapter. Procedures pertaining to appeals from rulings of the presiding officer are set forth in §1.301. Procedures pertaining to reconsideration of the presiding officer's rulings are set forth in §1.303. Procedures pertaining to reconsideration and review of actions taken pursuant to delegated authority are set forth in §§1.101, 1.102, 1.104, 1.106, 1.113, 1.115, and 1.117. Procedures pertaining to exceptions to initial decisions are set forth in §§1.276-1.279.

(d) The Commission, by vote of a majority of the members then holding office, may delegate its functions either by rule or by order, and may at any time amend, modify, or rescind any such rule or order.

(1) Functions of a continuing or recurring nature are delegated by rule. The rule is published in the FEDERAL REGISTER and is included in this subpart.

(2) Functions pertaining to a particular matter or proceeding are delegated by order. The order is published in the FEDERAL REGISTER and associated with the record of that matter or proceed-

ing, but neither the order nor any reference to the delegation made thereby is included in this subpart.

§0.203 Authority of person, panel, or board to which functions are delegated.

(a) The person, panel, or board to which functions are delegated shall, with respect to such functions, have all the jurisdiction, powers, and authority conferred by law upon the Commission, and shall be subject to the same duties and obligations.

(b) Except as provided in §1.102 of this chapter, any action taken pursuant to delegated authority shall have the same force and effect and shall be made, evidenced, and enforced in the same manner as actions of the Commission.

[28 FR 12402, Nov. 22, 1963]

(a) *Authority to issue orders and to enter into correspondence.* Any official (or group of officials) to whom authority is delegated in this subpart is authorized to issue orders (including rulings, decisions, or other action documents) pursuant to such authority and to enter into general correspondence concerning any matter for which he is responsible under this subpart or subpart A of this part.

(b) *Authority of subordinate officials.* Authority delegated to any official to issue orders or to enter into correspondence under paragraph (a) of this section may be exercised by that official or by appropriate subordinate officials acting for him.

(2) Upon signing an order, the Secretary affixes the Commission's seal.

(3) General correspondence by a committee or board is signed by the committee or board chairman.

(4) All other orders and letters are signed by the official who has given final approval of their contents.

Federal Communications Commission

§0.218

(5) With the exception of license forms requiring the signature of an appropriate official of the issuing bureau or office, license forms bear only the seal of the Commission.

(a) The Federal Communications Commission was created by the Communications Act of 1934, 48 Stat. 1064, June 19, 1934, as amended, 47 U.S.C. 151-609.

(b) The Commission exercises authority under the Submarine Cable Landing Act, 42 Stat. 8, May 27, 1921, 47 U.S.C. 34-39. See section 5 of Executive Order 10530, 19 FR 2709, May 10, 1954, as amended, 3 CFR, 1965 ed., p. 463.

(c) The Commission exercises authority under the Communications Satellite Act of 1962, 76 Stat. 419, August 31, 1962, 47 U.S.C. 701-744.

Administrative Procedure Act	5 U.S.C.
Sec. 2-9	551-558
Sec. 10	701-706
Sec. 11	3105, 7521, 5362, 1305
Sec. 12	559

[32 FR 10570, July 19, 1967]

§0.406 The rules and regulations.

Persons having business with the Commission should familiarize themselves with those portions of its rules and regulations pertinent to such business. All of the rules have been published and are readily available. See §§0.411(b), 0.412, and 0.415. For the benefit of those who are not familiar with the rules, there is set forth in this section a brief description of their format and contents.

(a) *Format.* The rules are set forth in the Code of Federal Regulations as

chapter I of title 47. Chapter I is divided into parts numbered from 0-99. Each part, in turn, is divided into numbered sections. To allow for the addition of new parts and sections in logical sequence, without extensive renumbering, parts and sections are not always numbered consecutively. Thus, for example, part 2 is followed by part 5, and §1.8 is followed by §1.10; in this case, parts 3 and 4 and §1.9 have been reserved for future use. In numbering sections, the number before the period is the part number; and the number after the period locates the section within that part. Thus, for example, §1.1 is the first section of part 1 and §5.1 is the first section in part 5. Except in the case of accounting regulations (parts 31-35), the period should not be read as a decimal point; thus, §1.511 is not located between §§1.51 and 1.52 but at a much later point in the rules. In citing the Code of Federal Regulations, the citation, 47 CFR 5.1, for example, is to §5.1 (in part 5) of chapter I of title 47 of the Code, and permits the exact location of that rule. No citation to other rule units (e.g., subpart or chapter) is needed.

(b) *Contents.* Parts 0-19 of the rules have been reserved for provisions of a general nature. Parts 20-69 of this chapter have been reserved for provisions pertaining to common carriers. Parts 20-29 and 80-109 of this chapter have been reserved for provisions pertaining to the wireless telecommunications services. In the rules pertaining to common carriers, parts 20-25 and 80-99 of this chapter pertain to the use of radio; in the rules pertaining to common carriers, parts 21, 23, and 25 of this chapter pertain to the use of radio; parts 31-66 of this chapter pertain primarily to telephone and telegraph companies. Persons having business with the Commission will find it useful to consult one or more of the following parts containing provisions of a general nature in addition to the rules of the radio or wire communication service in which they are interested:

(1) *Part 0, Commission organization.* Part 0 describes the structure and functions of the Commission, lists delegations of authority to the staff, and sets forth information designed to assist those desiring to obtain information

from, or to do business with, the Commission. This part is designed, among other things, to meet certain of the requirements of the Administrative Procedure Act, as amended.

(2) *Part 1 of this chapter, practice and procedure.* Part 1, subpart A, of this chapter contains the general rules of practice and procedure. Except as expressly provided to the contrary, these rules are applicable in all Commission proceedings and should be of interest to all persons having business with the Commission. Part 1, subpart A of this chapter also contains certain other miscellaneous provisions. Part 1, subpart B, of this chapter contains the procedures applicable in formal hearing proceedings (see §1.201 of this chapter). Part 1, subpart C, of this chapter contains the procedures followed in making or revising the rule or regulations. Part 1, subpart D, of this chapter contains rules applicable to applications for licenses in the Broadcast Radio Services, including the forms to be used, the filing requirements, the procedures for processing and acting upon such applications, and certain other matters. Part 1, subpart F, of this chapter contain rules applicable to applications for licenses in the Wireless Telecommunications Bureau services, including the forms to be used, the filing requirements, the procedures for processing and acting on such applications, and certain other matters. Additional procedures applicable to certain common carriers by radio are set forth in part 21 of this chapter. Part 1, subpart F, of this chapter contains rules applicable to applications for licenses in the Private Radio Services, including the forms to be used, the filing requirements, the procedures for processing and acting on such applications, and certain other matters. Part 1, subpart G, of this chapter contains rules pertaining to the application processing fees established by the Consolidated Omnibus Budget Reconciliation Act of 1985 (Pub. L. 99-272, 100 Stat. 82 (1986)) and also contains rules pertaining to the regulatory fees established by the Omnibus Budget Reconciliation Act of 1993 (Pub. L. 103-66, 107 Stat. 397 (1993)). Part 1, subpart H, of this chapter, concerning *ex parte*

presentations, sets forth standards governing communications with commission personnel in hearing proceedings and contested application proceedings. Part 1, subparts G and H, of this chapter will be of interest to all regulatees, and part 1, subpart H, of this chapter will, in addition, be of interest to all persons involved in hearing proceedings.

(3) *Part 2, frequency allocations and radio treaty matters; general rules and regulations.* Part 2 will be of interest to all persons interested in the use of radio. It contains definitions of technical terms used in the rules and regulations; provisions governing the allocation of radio frequencies among the numerous uses made of radio (e.g., broadcasting, land mobile) and radio services (e.g., television, public safety), including the Table of Frequency Allocations (§2.106); technical provisions dealing with emissions; provisions dealing with call signs and emergency communications; provisions governing type acceptance and type approval of radio equipment; and a list of treaties and other international agreements pertaining to the use of radio.

(4) *Part 5, experimental radio services (other than broadcast).* Part 5 deals with the temporary use of radio frequencies for research in the radio art, for communication involving other research projects, and for the development of equipment, data, or techniques.

(5) *Part 13, commercial radio operators.* Part 13 describes the procedures to be followed in applying for a commercial operator license, including the forms to be used and the examinations given, and sets forth rules governing licensed operators. It will be of interest to applicants for such licenses, licensed operators, and the licensees of radio stations which may be operated only by persons holding a commercial radio operator license.

(6) *Part 15, radio frequency devices.* Part 15 contains regulations designed to prevent harmful interference to radio communication from radio receivers and other devices which radiate radio frequency energy, and provides for the certification of radio receivers. It also provides for the certification of low power transmitters and for the op-

eration of certificated transmitters without a license.

(7) *Part 17, construction, marking, and lighting of antenna structures.* Part 17 contains criteria for determining whether applications for radio towers require notification of proposed construction to the Federal Aviation Administration, and specifications for obstruction marking and lighting of antenna structures.

(8) *Part 18, industrial, scientific and medical equipment.* Part 18 contains regulations designed to prevent harmful interference to radio communication from ultrasonic equipment, industrial heating equipment, medical diathermy equipment, radio frequency stabilized arc welders, and other equipment which uses radio energy for purposes other than communication.

(9) *Part 19, employee responsibilities and conduct.* Part 19 prescribes standards of conduct for the members and staff of the Commission.

§0.409 Commission policy on private printing of FCC forms.

The Commission has established a policy regarding the printing of blank FCC forms by private companies if they elect to do so as a matter of expediency and convenience to their clients or consumers. The policy is as follows:

(a) Blank FCC forms may be reproduced by private companies at their own expense provided the following conditions are met:

(1) Use a printing process resulting in a product that is at least comparable in quality to the original document, without change to the page size, image size, configuration of pages, folds or perforations, and matching as closely as possible the paper weight, paper color and ink color.

(2) Delete in its entirety any and all U.S. Government Printing Office (GPO) indicia that may appear in the margin(s).

(3) If the printer wishes to identify a foreign country in which the forms are printed, a marginal notation must be added stating "No U.S. Government funds were used to print this document."

(4) Do not add to the form any other symbol, word or phrase that might be

construed as personalizing the form or advertising on it.

(5) Except as specified above, do not delete from or add to any part of the form, or attach anything thereto.

(6) Assure that the form being reproduced is an edition currently acceptable by the Commission, which will endeavor to keep the public advised of revisions to its forms, but cannot assume responsibility to the extent of eliminating any element of risk against the use of obsolete forms.

(b) These guidelines do not apply to forms which respondents may wish to reproduce as completed facsimiles on automated equipment to satisfy application or report requirements. Requests for permission to submit such forms to the Commission should be addressed to the Office of Managing Director.

PRINTED PUBLICATIONS

§0.411 General reference materials.

The following reference materials are available in many libraries and may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402:

(a) *Statutory materials.* Laws pertaining to communications are contained in Title 47 of the United States Code. Laws enacted since the printing of the last supplement to the Code are printed individually as slip laws, and these are compiled chronologically in the United States Statutes at Large. The Acts of Congress from 1910–62 pertaining to radio have been compiled in a single volume, *Radio Laws of the United States* (1962 ed.). See §§0.405 and 0.414.

(b) *Regulatory materials*—(1) *The Code of Federal Regulations.* The rules and regulations of the Commission are contained in chapter I of title 47 of the Code of Federal Regulations. Chapter I is divided into the following four subchapters, which may be purchased separately: Subchapter A—General; Subchapter B—Common Carrier Services; Subchapter C—Broadcast Radio Services; and Subchapter D—Private Radio Services. Most persons will find that they need subchapter A, containing the general rules, and one of the other volumes, depending upon their area of interest. These four volumes are revised annually to reflect changes in the rules. See §§0.406, 0.412, and 0.415. The Code of Federal Regulations is fully indexed and contains numerous finding aids. See 1 CFR appendix C.

(2) *The Federal Register.* As rules are adopted, amended, or repealed, the changes are published in the FEDERAL REGISTER, which is published daily except on legal holidays. Notices of proposed rule making, other rule making documents, statements of general policy, interpretations of general applicability, and other Commission documents having general applicability and legal effect are also published in the FEDERAL REGISTER. Summaries of the full Notices of proposed rule making and other rule making decisions adopted by the Commission constitute rule-making documents for purposes of FEDERAL REGISTER publication. The FEDERAL REGISTER is fully indexed and contains numerous findings aids.

Complete lists are prepared approximately once each month; there are no updates.

(3) Copies of the FM Engineering Data Base are supplied to NTIS approximately once each month. NTIS refers to this as the "Broadcast FM Data Base."

(c) For TV stations, the lists are arranged as follows:

Complete lists are prepared approximately once a month, with updates each week.

(e) Users of the data bases and the lists prepared from the data bases are cautioned that the data bases and the lists are unofficial. They have been prepared for the convenience of the FCC's staff, and should not be relied on by the public because in some instances the data bases and the lists may not agree with the primary sources of information (e.g., official license documents, international notifications, actual applications, and the like). Action by the public, such as the filing of applications, should be based on the primary sources of information and not on the data bases or lists. If there are discrepancies between the primary sources of information and the data bases or lists, the former control.

(f) The United States and its officers, agents, and employees shall not be responsible or liable for any loss, expense, or damage arising from or inci-

dent to the use of either the data bases or the lists by the public.

PUBLIC INFORMATION AND INSPECTION OF RECORDS

§ 0.441 General.

Any person desiring to obtain information may do so by writing or coming in person to any of the Commission's offices. A broader range of information and more comprehensive information facilities are available at the Commission's main office in Washington, D.C., however, and inquiries of a general nature should ordinarily be submitted to that office.

[32 FR 10573, July 19, 1967]

§ 0.442 Disclosure to other Federal government agencies of information submitted to the Commission in confidence.

(a) The disclosure of records to other federal government agencies is generally governed by 44 U.S.C. 3512 and 3508(a) rather than the Freedom of Information Act. The acceptance of materials in confidence under § 0.457 or § 0.459 does not provide assurance against their disclosure to other agencies.

(b) Information submitted to the Commission in confidence pursuant to § 0.457(c) (2) and (3), (d) and (g) or § 0.459 will be disclosed to other agencies of the federal government upon request: *Provided* (1) Specific Commission assurances against such disclosure have not been given, (2) the other agency has established a legitimate need for the information, (3) disclosure is made subject to the provisions of 44 U.S.C. 3508(a), and (4) disclosure is not prohibited by the Privacy Act or other provisions of law.

(c) The Commission's staff may give assurances against disclosure of information to other federal agencies only with the prior written approval of the General Counsel. In no event will assurance against disclosure to other

§0.443

agencies be given in advance of submission of the information to the Commission if submission is required by statute or by the provisions of this chapter; but the notice provisions of paragraph (d) of this section will apply to such information.

(d)(1) Except as provided in paragraph (d)(2) of this section a party who furnished records to the Commission in confidence will be notified at the time that the request for disclosure is submitted and will be afforded 10 days in which to oppose disclosure.

(2) If the agency requesting the records states to the satisfaction of the Commission that notice to the party who furnished the records to the Commission will interfere unduly with its law enforcement activities and further states that it will notify that party of the Commission's disclosure once the potential for such interference is eliminated, the Commission will not give notice of disclosure.

(3) If notice is given to the party who furnished the records to the Commission in confidence and disclosure is not opposed, the staff is authorized to make the records available to the agency which requested them.

(4) If disclosure is opposed and the Commission decides to make the records available to the other agency, the party who furnished the records to the Commission will be afforded ten (10) working days from the date of the ruling in which to move for a judicial stay of the Commission's action. If he does not move for stay within this period, the records will be disclosed.

(e) Nothing in this section is intended to govern disclosure of information to Congress.

§0.443 General information office.

The Press and News Media Division is located at 1919 M Street NW., Washington, D.C. Here the public may obtain copies of public notices of Commission actions, formal documents adopted by the Commission and other public releases as they are issued. Back issues of public releases are available for inspection in this office. Copies of fact sheets which answer general questions

about the Commission may be obtained from this office.

[36 FR 15121, Aug. 13, 1971, as amended at 44 FR 12425, Mar. 7, 1979; 44 FR 70471, Dec. 7, 1979]

§0.445 Publication, availability and use of opinions, orders, policy statements, interpretations, administrative manuals, and staff instructions.

(a) Adjudicatory opinions and orders of the Commission, or its staff acting on delegated authority, are mailed to the parties, and as part of the record, are available for inspection in accordance with §§ 0.453 and 0.455.

(b) Texts adopted by the Commission or a member of its staff on delegated authority and made available to the public through the Office of Congressional and Public Affairs are published in the FCC Record. Older materials of this nature are available in the FCC Reports. In the event that such older materials are not published in the FCC Reports, reference should be made to the FEDERAL REGISTER or Pike and Fischer Radio Regulation.

(c) All rulemaking documents are published in the FEDERAL REGISTER. Summaries of the full Notices of proposed rule making and other rule making decisions adopted by the Commission constitute rulemaking documents for purposes of FEDERAL REGISTER publication. See §1.412(a)(1). The complete text of the Commission decision also is released by the Commission and is available for inspection and copying during normal business hours in the FCC Dockets Branch (Room 230), 1919 M Street, NW., Washington, DC, or as otherwise specified in the rulemaking document published in the FEDERAL REGISTER. The complete texts of rulemaking decisions may also be purchased from the Commission's duplicating contractor.

(d) Formal policy statements and interpretations designed to have general applicability and legal effect are published in the FEDERAL REGISTER, the FCC Record, FCC Reports, or Pike and Fischer. Commission decisions and other Commission documents not entitled formal policy statements or interpretations may contain substantive interpretations and statements regarding policy, and these are published as part

of the document in the FCC Record, FCC Reports or Pike and Fischer. General statements regarding policy and interpretations furnished to individuals, in correspondence or otherwise, are not ordinarily published.

(e) If the documents described in paragraphs (a) through (d) of this section are published in the FEDERAL REGISTER, the FCC Record, FCC Reports, or Pike and Fischer Radio Regulation, they may be relied upon, used or cited as precedent by the Commission or private parties in any manner. If they are not so published, they may not be relied upon, used or cited as precedent, except against persons who have actual notice of the document in question or by such persons against the Commission. No person is expected to comply with any requirement or policy of the Commission unless he has actual notice of that requirement or policy or a document stating it has been published as provided in this paragraph. Nothing in this paragraph, however, shall be construed as precluding a reference to the rationale set forth in a recent document that is pending publication if the requirement or policy to which the rationale relates is contained in a published document or if actual notice of that requirement or policy has been given.

(f) The FEDERAL REGISTER, the FCC Record, FCC Reports and Pike and Fischer Radio Regulation are indexed. If the documents described in paragraphs (a)-(d) of this section are not published, they are neither indexed nor relied upon, except as provided in paragraph (e) of this section.

(g) There are two Commission staff manuals, the FCC Administrative Manual and the CIB Manual. The FCC Administrative Manual (excepting Part IX, concerning Civil Defense, which contains materials classified under E.O. 10501) is available for inspection in the Office of the Managing Director. Portions of the CIB Manual which pertain to administrative matters are available for inspection in the Compliance and Information Bureau. Portions of the CIB Manual which pertain to enforcement matters are not available for inspection. The Manuals are not indexed but are organized by subject, with tables of contents, and the mate-

rials contained therein can be located without difficulty.

(h) Subparts A and B of this part describe the functions of the staff and list the matters on which authority has been delegated to the staff. Except as provided in paragraph (g) of this section, all general instructions to the staff and limitations upon its authority are set forth in those subparts. As part of the Commission's rules and regulations, the provisions of these subparts are indexed in the FEDERAL REGISTER and the Code of Federal Regulations. Instructions to the staff in particular matters or cases are privileged and are not published or made available for public inspection.

(i) To the extent required to prevent a clearly unwarranted invasion of personal privacy, the Commission may delete identifying details when it makes available or publishes any document described in this section. The justification for any such deletion will be fully explained in a preamble to the document.

[32 FR 10573, July 19, 1967, as amended at 40 FR 17255, Apr. 18, 1975; 50 FR 27953, July 9, 1985; 51 FR 7444, Mar. 4, 1986; 51 FR 45889, Dec. 23, 1986; 61 FR 8477, Mar. 5, 1996]

§ 0.451 Inspection of records: Generally.

(a) *Records which are routinely available for public inspection.* Sections 0.453 and 0.455 list those Commission records which are routinely available for public inspection and the places at which those records may be inspected. Procedures governing requests for inspection of such records are set out in § 0.460.

(b) *Records which are not routinely available for public inspection.* Records which are not listed in § 0.453 or § 0.455 are not routinely available for public inspection. Such records fall into two categories.

(1) The first category consists of those records or kinds of records listed in § 0.457 and of particular records withheld from public inspection under § 0.459. The Commission has determined that there is a statutory basis for withholding these records from public inspection. In some cases, the Commission is prohibited from permitting the inspection of records. In other cases, the records are the property of another

§0.453

47 CFR Ch. I (10–1–97 Edition)

agency, and the Commission has no authority to permit their inspection. In still other cases, the Commission is authorized, for reason of policy, to withhold records from inspection, but is not required to do so.

(2) The second category consists of records which are not listed in §0.453, §0.455, or §0.457 and have not been withheld from inspection under §0.459. In some cases, these records have not been identified for listing. In other cases (e.g., the general correspondence files), the Commission is unable to determine either that all records in a class should be routinely available for inspection or that all records in that class should not be routinely available for inspection, and individual determination is required.

(3) Procedures governing requests for inspection of these records are set out in §0.461.

(4) Procedures governing demands by competent authority for inspection of these records are set out in §0.463.

(5) Except as provided in §§0.461 and 0.463, no officer or employee of the Commission shall permit the inspection of records which are not routinely available for public inspection under §0.453 or §0.455, or disclose information contained therein.

(c) *Copies.* Section 0.465 applies to requests for copies of Commission records which are routinely available for public inspection under §§0.453 and 0.455 and those which are made available for inspection under §0.461. Section 0.467 applies to requests for certified copies of Commission records.

(d) *Search fees.* Section 0.466 prescribes fees to cover the expense of searching for records made available for inspection under §0.460 or §0.461.

§0.457 Records not routinely available for public inspection.

The records listed in this section are not routinely available for public inspection. The records are listed in this section by category, according to the statutory basis for withholding those

records from inspection; and under each category, if appropriate, the underlying policy considerations affecting the withholding and disclosure of records in that category are briefly outlined. Except where the records are not the property of the Commission or where the disclosure of those records is prohibited by law, the Commission will entertain requests from members of the public under §0.461 for permission to inspect particular records withheld from inspection under the provisions of this section, and will weigh the policy considerations favoring non-disclosure against the reasons cited for permitting inspection in the light of the facts of the particular case. In making such requests, it is important to appreciate that there may be more than one basis for withholding particular records from inspection. The listing of records by category is not intended to imply the contrary but is solely for the information and assistance of persons making such requests. Requests to inspect or copy the transcripts, recordings or minutes of agency or advisory committee meetings will be considered under §0.603 rather than under the provisions of this section.

(a) *Materials that are specifically authorized under criteria established by Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order, 5 U.S.C. 552(b)(1).* (1) E.O. 10450, "Security Requirements for Government Employees," 18 FR 2489, April 27, 1953, 3 CFR, 1949–1953 Comp., p. 936. Pursuant to the provisions of E.O. 10450, reports and other material and information developed in security investigations are the property of the investigative agency. If they are retained by the Commission, it is required that they be maintained in confidence and that no access be given to them without the consent of the investigative agency. Such materials and information will not be made available for public inspection. See also paragraphs (f) and (g) of this section.

(2) E.O. 10501, "Safeguarding Official Information in the Interests of the Defense of the United States," 18 FR 7049, November 10, 1953, as amended, 3 CFR, 1965 ed., p. 450. E.O. 10501, as amended,

provides for the classification of official information which requires protection in the interests of national defense, and prohibits the disclosure of classified information except as provided therein. Classified materials and information will not be made available for public inspection. See also, E.O. 10033, February 8, 1949, 14 FR 561, 3 CFR, 1949–1953 Comp., p. 226, and 47 U.S.C. 154(j).

(b) *Materials that are related solely to the internal personnel rules and practices of the Commission, 5 U.S.C. 552(b)(2).* (1) Materials related solely to internal management matters, including minutes of Commission actions on such matters. Such materials may be made available for inspection under §0.461, however, unless their disclosure would interfere with or prejudice the performance of the internal management functions to which they relate, or unless their disclosure would constitute a clearly unwarranted invasion of personal privacy (see paragraph (f) of this section).

(2) Materials relating to the negotiation of contracts.

(3) All materials used in conducting radio operator examinations, including test booklets, Morse Code tapes, and scoring masks.

(c) Materials that are specifically exempted from disclosure by statute (other than the Government in the Sunshine Act, 5 U.S.C. 552b): *Provided*, That such statute (1) requires that the materials be withheld from the public in such a manner as to leave no discretion on the issue, or (2) establishes particular criteria for withholding or refers to particular types of materials to be withheld. The Commission is authorized under the following statutory provisions to withhold materials from public inspection.

(1) Section 4(j) of the Communications Act, 47 U.S.C. 154(j), provides, in part, that, "The Commission is authorized to withhold publication of records or proceedings containing secret information affecting the national defense." Pursuant to that provision, it has been determined that the following materials should be withheld from public inspection (see also paragraph (a) of this section):

(i) Maps showing the exact location of submarine cables.

(ii) Minutes of Commission actions on classified matters.

(iii) Maps of nation-wide point-to-point microwave networks.

(2) Under section 213(f) of the Communications Act, 47 U.S.C. 213(f), the Commission is authorized to order, with the reasons therefor, that records and data pertaining to the valuation of the property of common carriers and furnished to the Commission by the carriers pursuant to the provisions of that section, shall not be available for public inspection. If such an order has been issued, the data and records will be withheld from public inspection, except under the provisions of § 0.461. Normally, however, such data and information is available for inspection. See § 0.455(c) (8).

(3) Under section 412 of the Communications Act, 47 U.S.C. 412, the Commission may withhold from public inspection certain contracts, agreements and arrangements between common carriers relating to foreign wire or radio communication. Reports of negotiations regarding such foreign communication matters, filed by carriers under § 43.52 of this chapter, may also be withheld from public inspection under section 412. Any person may file a petition requesting that such materials be withheld from public inspection. To support such action, the petition must show that the contract, agreement or arrangement relates to foreign wire or radio communications; that its publication would place American communication companies at a disadvantage in meeting the competition of foreign communication companies; and that the public interest would be served by keeping its terms confidential. If the Commission orders that such materials be kept confidential, they will be made available for inspection only under the provisions of § 0.461.

(4) Section 605 of the Communications Act, 47 U.S.C. 605, provides, in part, that, "no person not being authorized by the sender shall intercept any communication [by wire or radio] and divulge or publish the existence, contents, substance, purport, effect, or meaning of such intercepted commu-

nications to any person." In executing its responsibilities, the Commission regularly monitors radio transmissions (see § 0.116). Except as required for the enforcement of the communications laws, treaties and the provisions of this chapter, or as authorized in section 605, the Commission is prohibited from divulging information obtained in the course of these monitoring activities; and such information, and materials relating thereto, will not be made available for public inspection.

(5) Section 1905 of the Criminal Code, 18 U.S.C. 1905, prohibits the unauthorized disclosure of certain confidential information. See paragraph (d) of this section.

(d) *Trade secrets and commercial or financial information obtained from any person and privileged or confidential, 5 U.S.C. 552(b)(4) and 18 U.S.C. 1905.* Section 552(b)(4) is specifically applicable to trade secrets and commercial or financial information but is not limited to such matters. Under this provision, the Commission is authorized to withhold from public inspection materials which would be privileged as a matter of law if retained by the person who submitted them, and materials which would not customarily be released to the public by that person, whether or not such materials are protected from disclosure by a privilege. See, Attorney General's Memorandum on the Public Information Section of the Administrative Procedure Act, June 1967, at pages 32-34.

(1) The materials listed in this subparagraph have been accepted, or are being accepted, by the Commission on a confidential basis pursuant to 5 U.S.C. 552(b)(4). To the extent indicated in each case, the materials are not routinely available for public inspection. If the protection afforded is sufficient, it is unnecessary for persons submitting such materials to submit therewith a request for non-disclosure pursuant to § 0.459. A persuasive showing as to the reasons for inspection will be required in requests for inspection of such materials submitted under § 0.461.

(i) Financial reports submitted by licensees of broadcast stations pursuant to § 1.611 of this chapter or by radio and television networks are not routinely available for public inspection. (Fees

paid upon consummation of the assignment or transfer of a broadcast station license, pursuant to §1.1111 of this chapter, are computed from information contained in financial reports submitted pursuant to §1.611. Information and correspondence concerning such computations are not routinely available for public inspection.)

(ii) Applications for equipment authorizations (type acceptance, type approval, certification, or advance approval of subscription television systems), and materials relating to such applications, are not routinely available for public inspection prior to the effective date of the authorization. The effective date of the authorization will, upon request, be deferred to a date no earlier than that specified by the applicant. Following the effective date of the authorization, the application and related materials (including technical specifications and test measurements) will be made available for inspection upon request (see §0.460).

(iii) Schedules 2, 3, and 4 of financial reports submitted for cable television systems pursuant to §76.403 of this chapter.

(iv) Annual fee computation forms submitted for cable television systems pursuant to §76.406 of this chapter.

(2) Prior to July 4, 1967, the rules and regulations provided that certain materials submitted to the Commission would not be made available for public inspection or provided assurance, in varying degrees, that requests for non-disclosure of certain materials would be honored. See, e.g., 47 CFR (1966 ed.) 0.417, 2.557, 5.204, 5.255, 15.70, 21.406, 80.33, 87.153, 89.215, 91.208, 91.605 and 93.208. Materials submitted under these provisions are not routinely available for public inspection. To the extent that such materials were accepted on a confidential basis under the then existing rules, they are not routinely available for public inspection. The rules cited in this subdivision were superseded by the provisions of this paragraph, effective July 4, 1967. Equipment authorization information accepted on a confidential basis between July 4, 1967 and March 25, 1974, will not be routinely available for inspection and a persuasive showing as to the reasons for inspection of such information will

be required in requests for inspection of such materials submitted under §0.461.

(i) Unless the materials to be submitted are listed in paragraph (d)(1) of this section and the protection thereby afforded is adequate, it is important for any person who submits materials which he wishes withheld from public inspection under 5 U.S.C. 552(b)(4) to submit therewith a request for non-disclosure pursuant to §0.459. If it is shown in the request that the materials contain trade secrets or commercial, financial or technical data which would customarily be guarded from competitors, the materials will not be made routinely available for inspection; and a persuasive showing as to the reasons for inspection will be required in requests for inspection submitted under §0.461. In the absence of a request for non-disclosure, the Commission may, in the unusual instance, determine on its own motion that the materials should not be routinely available for public inspection. Ordinarily, however, in the absence of such a request, materials which are submitted will be made available for inspection upon request pursuant to §0.461, even though some question may be present as to whether they contain trade secrets or like matter.

(e) *Interagency and intra-agency memorandums or letters, 5 U.S.C. 552(b)(5)*. Interagency and intra-agency memorandums or letters and the work papers of members of the Commission or its staff will not be made available for public inspection, except in accordance with the procedures set forth in §0.461. Only if it is shown in a request under §0.461 that such a communication would be routinely available to a private party through the discovery process in litigation with the Commission will the communication be made available for public inspection. Normally such papers are privileged and not available to private parties through the discovery process, since their disclosure would tend to restrain the commitment of ideas to writing, would tend to inhibit communication among Government personnel, and would, in some cases, involve premature disclosure of their contents.

(f) *Personnel, medical and other files whose disclosure would constitute a clearly unwarranted invasion of personal privacy, 5 U.S.C. 552(b)(6).* (1) Under Executive Order 10561, 19 FR 5963, September 13, 1954, 3 CFR, 1954-1958 Comp., page 205, the Commission maintains an Official Personnel Folder for each of its employees. Such folders are under the jurisdiction and control, and are a part of the records, of the U.S. Office of Personnel Management. Except as provided in the rules of the Office of Personnel Management (5 CFR 294.701-294.703), such folders will not be made available for public inspection by the Commission. In addition, other records of the Commission containing private, personal or financial information concerning particular employees will be withheld from public inspection.

(2) [Reserved]

(3) Information submitted to the Commission by applicants for commercial radio operator licenses concerning the character and mental or physical health of the applicant is available for inspection only under procedures set forth in §0.461. Except in this respect, or where other aspects of a similar private nature warrant nondisclosure, commercial radio operator application files are available for inspection.

(g) *Investigatory records compiled for law enforcement purposes, to the extent that production of such records would:*

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source;

(5) Disclose investigative techniques or procedures; or

(6) Endanger the life or physical safety of law enforcement personnel, 5 U.S.C. 552(b)(7).

§0.459 Requests that materials or information submitted to the Commission be withheld from public inspection.

(a) Any person submitting information or materials to the Commission may submit therewith a request that such information not be made routinely available for public inspection. (If the materials are specifically listed in §0.457, such a request is unnecessary.) A copy of the request shall be attached to and shall cover all of the materials to which it applies and all copies of those materials. If feasible, the materials to which the request applies shall be physically separated from any materials to which the request does not apply; if this is not feasible, the portion of the materials to which the request applies shall be identified.

(b) Each such request shall contain a statement of the reasons for withholding the materials from inspection (see §0.457) and of the facts upon which those reasons are based. If the request is that the materials be withheld from inspection for a limited period of time, that period shall be specified.

(c) Casual requests which do not comply with the requirements of paragraphs (a) and (b) of this section will not be considered.

(d) Requests which comply with the requirements of paragraphs (a) and (b) of this section will be acted on by the appropriate Bureau or Office Chief, who is directed to grant the request if it presents by a preponderance of the evidence a case for non-disclosure consistent with the provisions of the Freedom of Information Act, 5 U.S.C. 552. If the request is granted, the ruling will be placed in a public file in lieu of the materials withheld from public inspection. A copy of the ruling shall be forwarded to the General Counsel.

(e) If the materials are submitted voluntarily (i.e., absent any direction by the Commission), the person submitting them may request the Commission to return the materials without consideration if the request for confidentiality should be denied. In that event, the materials will ordinarily be returned (e.g., an application will be returned if it cannot be considered on a confidential basis); only in the unusual instance where the public

interest so requires will the materials be made available for public inspection. If submission of the materials is required by the Commission and the request for confidentiality is denied, the materials will be made available for public inspection.

(f) If no request for confidentiality is submitted, the Commission assumes no obligation to consider the need for non-disclosure but, in the unusual instance, may determine on its own motion that the materials should be withheld from public inspection. See §0.457(g).

(g) If a request for confidentiality is denied, the person who submitted the request may, within 5 working days, file an application for review by the Commission. If the application for review is denied, the person who submitted the request will be afforded 5 working days in which to seek a judicial stay of the ruling. If these periods expire without action by the person who submitted the request, the materials will be returned to the person who submitted them or will be placed in a public file. Notice of denial and of the time for seeking review or a judicial stay will be given by telephone, with follow-up notice in writing. The first day to be counted in computing the time periods established in this subsection is the day after the date of oral notice.

(h) If the request is granted, the status of the materials is the same as that of materials listed in §0.457. Any person wishing to inspect them may submit a request for inspection under §0.461.

[40 FR 7313, Feb. 19, 1975, as amended at 49 FR 21719, May 23, 1984; 55 FR 8951, Mar. 9, 1990]

§0.460 Requests for inspection of records which are routinely available for public inspection.

(a) Sections 0.453 and 0.455 list those Commission records which are routinely available for public inspection and the places at which those records may be inspected. Subject to the limitations set out in this section and to the provisions of §0.466 and paragraph (k) of this section, a person who wants to inspect such records need only appear at the specified location and ask to see the records.

(b) A person who does not want a copy of the records must appear at the specified location during the office hours of the Commission and must inspect the records at that location. (Procedures governing requests for copies are set out in §0.465.) However, arrangements may be made in advance, by telephone or by correspondence, to make the records available for inspection on a particular date, and there are many circumstances in which such advance arrangements will save inconvenience. If the request is for a large number of documents, for example, a delay in collecting them is predictable. Current records may be in use by the staff when the request is made. Older records may have been forwarded to another location for storage.

(c) The records in question must be reasonably described by the person requesting them so as to permit their location by staff personnel. The information needed to locate the records will vary, depending on the records requested. Advice concerning the kind of information needed to locate particular records will be furnished in advance upon request. Members of the public will not be given access to the area in which records are kept and will not be permitted to search the files.

(d) If it appears that there will be an appreciable delay in locating or producing the records (as where a large number of documents is the subject of a single request or where an extended search for a document appears to be necessary), the request shall be submitted in writing, either in person or by mail.

(e) Written requests shall be captioned "REQUEST FOR INSPECTION OF RECORDS", shall be dated, shall list the telephone number (if any) of the person making the request and for each document requested, shall set out all information known to the person making the request which would be helpful in identifying and locating the document. Written requests shall, in addition, specify the maximum search fee the person making the request is prepared to pay. (see §0.467)

(f) Written requests shall be delivered or mailed directly to the chief of the organizational unit having custody of the records, as listed in §§0.453 and

Federal Communications Commission

§ 0.461

0.455. If the request is enclosed in an envelope, the envelope shall be marked, "REQUEST FOR INSPECTION OF RECORDS."

(g) When a written request is received by the custodian of the records, it will be date-stamped.

(h) All requests limited to records listed in §§0.453 and 0.455 will be granted, subject to paragraph (k) of this section. Requests for records listed in those sections shall not be combined with requests for other records.

(i) The records will be produced for inspection at the earliest possible time.

(j) Records shall be inspected within 7 days after notice is given that they have been located and are available for inspection. After that period, they will be returned to storage and additional charges may be imposed for again producing them.

(k) In addition to the other requirements of this section, the following provisions apply to the reports filed with the Commission pursuant to subpart E of part 19 of this chapter. (1) Such reports shall not be obtained or used:

(i) For any unlawful purpose; (ii) for any commercial purpose, other than by news and communications media for dissemination to the general public; (iii) for determining or establishing the credit rating of any individual; or (iv) for use, directly or indirectly, in the solicitation of money for any political, charitable, or other purpose.

(2) Such reports may not be made available to any person nor may any copy thereof be provided to any person except upon a written application by such person stating: (i) That person's name, occupation and address; (ii) the name and address of any other person or organization on whose behalf the inspection or copying is requested; and (iii) that such person is aware of the prohibitions on the obtaining or use of the report. Further, any such application for inspection shall be made available to the public throughout the period during which the report itself is made available to the public.

(Secs. 4, 303, 307, 48 Stat., as amended, 1066, 1082, 1083; 47 U.S.C. 154, 303, 397; 18 U.S.C. 207(j))

[40 FR 7314, Feb. 19, 1975, as amended at 45 FR 85027, Dec. 24, 1980; 48 FR 44800, Sept. 30, 1983; 53 FR 39093, Oct. 5, 1988]

§ 0.461 Requests for inspection of materials not routinely available for public inspection.

Any person desiring to inspect Commission records which are not listed in § 0.453 or § 0.455 shall file a request for inspection meeting the requirements of this section.

(a) The records in question must be reasonably described by the person requesting them, so as to permit their location by staff personnel. See § 0.460(c).

(b)(1) Requests shall be captioned "Freedom of Information Act Request," shall be dated, shall list the telephone number (if any) of the person making the request and, for each document requested, shall set out all information known to the person making the request which would be helpful in identifying and locating the document.

(2) The request shall, in addition, specify the maximum search fee the person making the request is prepared to pay (see § 0.467).

(c) If the records are of the kinds listed in § 0.457 or if they have been withheld from inspection under § 0.459, the request shall, in addition, contain a statement of the reasons for inspection and the facts in support thereof. In the case of other materials, no such statement need accompany the request; but the custodian of the records may require the submission of such a statement if he determines that the materials in question may lawfully be withheld from inspection.

(d)(1) Requests shall be delivered or mailed to the Managing Director. (For purposes of this section, the custodian of the records is the Chief of the appropriate Bureau or Office.)

(2) If the request is enclosed in an envelope, the envelope shall be marked, "Freedom of Information Act Request."

(3) An original and two copies of the request shall be submitted. If the request is for materials not open to routine public inspection under § 0.457(d) or

§0.459, one copy of the request will be mailed by the custodian of the records to the person who originally submitted the materials to the Commission.

(e) When the request is received by the Managing Director, it will be assigned to the Freedom of Information Act (FOIA) Control Office, where it will be date-stamped and assigned to the custodian of the records.

(f) Requests for inspection of records will be acted on as follows by the custodian of the records.

(1) If the Commission is prohibited from disclosing the records in question, the request for inspection will be denied with a statement setting forth the specific grounds for denial.

(2) If the records are the property of another agency, the request will be referred to that agency and the person who submitted the request will be so advised, with the reasons therefor.

(3) If it is determined that the Commission does not have authority to withhold the records from public inspection, the request will be granted.

(4) If it is determined that the Commission does have authority to withhold the records from public inspection, the considerations favoring disclosure and non-disclosure will be weighed in light of the facts presented, and the request will be granted, either conditionally or unconditionally, or denied.

(5) If there is a statutory basis for withholding part of a document only from inspection, that part will be deleted and the remainder will be made available for inspection.

(6) In locating and recovering records responsive to a FOIA request, only those records within the Commission's possession and control as of the date of its receipt of the request shall be considered.

(g) The custodian of the records will make every effort to act on the request within 10 working days after it is received by the FOIA Control Office. If it is not possible to locate the records and to determine whether they should be made available for inspection within 10 working days, the custodian may, in any of the following circumstances, extend the time for action by up to 10 working days:

(1) It is necessary to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

(2) It is necessary to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) It is necessary to consult with another agency having a substantial interest in the determination of the request or among two or more components of the Commission.

If these circumstances are not present or if it is not possible to locate the records and make the determination within the extended period, the person or persons who made the request will be advised of their rights and asked to consent to an extension or further extension. If the requestor agrees to an extension, the custodian of the records will confirm the agreement in a letter specifying the length of the agreed-upon extension. If he does not agree to an extension, the request will be denied, on the grounds that the custodian has not been able to locate the records and/or to make the determination within the period for a ruling mandated by the Freedom of Information Act, 4 U.S.C. 552. In that event, the custodian will continue to search for and/or assess the records and will advise the person who made the request of further developments; but that person may file an application for review by the Commission. When action is taken by the custodian of the records, written notice of the action will be given.

(h)(1) If a request for inspection of records submitted to the Commission in confidence under §0.457(d) or §0.459 is granted, an application for review of the action may be filed only by the person who submitted the records to the Commission. The application for review and the envelope containing it (if any) shall be captioned "Review of Freedom of Information Action." The application for review shall be filed within 10 working days after the date of the written ruling, shall be delivered or mailed to the General Counsel, and shall be served on the person who filed the request for inspection of records.

The first day to be counted in computing the time period for filing the application for review is the day after the date of the written ruling. If an application for review is not filed within this period, the records will be produced for inspection. The person who filed the request for inspection of records may respond to the application for review within 10 working days after it is filed.

(2) If the request for inspection of records submitted to the Commission in confidence under §0.457(d) or §0.459 is partially granted and partially denied, the person who submitted the records to the Commission and the person who filed the request for inspection of those records may file an application for review within the 10 working days after the date of the written ruling. The application for review and the envelope containing it (if any) shall be captioned "REVIEW OF FREEDOM OF INFORMATION ACTION." The application for review shall be delivered or mailed to the General Counsel. If either person files an application for review, it shall be served upon the other person.

(3) If the application for review filed by either person is denied, that person will be notified in writing and advised of their rights.

(4) If an application for review filed by the person who submitted the records to the Commission is denied, or if the records are made available on review which were not initially made available, the person who submitted the records to the Commission will be afforded 10 working days from the date of the written ruling in which to move for a judicial stay of the Commission's action. The first day to be counted in computing the time period for seeking a judicial stay is the day after the date of the written ruling. If a motion for stay is not made within this period, the record will be produced for inspection.

(5) Because of the statutory constraints imposed upon the Commission, no extensions of time will be granted to seek either Commission review or a judicial stay.

(i) Except as provided in paragraph (h) of this section, an application for review of an initial action on a request for inspection may be filed only by the

person who made the request. The application shall be filed within 30 days after the date of the written ruling by the custodian of records, and shall be captioned, "Review of Freedom of Information Action." The envelope (if any) shall also be so captioned. The application shall be delivered or mailed to the General Counsel and shall be served on the person (if any) who originally submitted the materials to the Commission. That person may file a response within 10 working days after the application for review is filed. If the records are made available on review, the person who submitted them to the Commission (if any) will be afforded 10 working days after the date of the written ruling to seek a judicial stay. See paragraph (h) of this section. The first day to be counted in computing the time period for filing the application for review or seeking a judicial stay is the day after the date of the written ruling. (For general procedures relating to applications for review, see §1.115 of this chapter.)

(j) [Reserved]

(k) The Commission will make every effort to act on an application for review of an action on a request for inspection of records within 20 working days after it is filed. See, however, paragraph (h)(2) of this section. If it is not possible to locate the records and to determine whether they should be made available for inspection within 20 working days, the General Counsel may, in the following circumstances and to the extent time has not been extended under paragraphs (g) (1), (2), and (3) of this section, extend the time for action up to 10 working days. (The total period of extensions taken under this paragraph and under paragraph (g) of this section without the consent of the person who submitted the request shall not exceed 10 working days.):

(1) It is necessary to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) It is necessary to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) It is necessary to consult with another agency having a substantial interest in the determination of the request or among two or more components of the Commission.

If these circumstances are not present or if it is not possible to locate the records and make the determination within the extended period, the person who made the request will be advised of his/her rights and asked to consent to an extension or further extension. If the requester or person who made the request agrees to an extension, the General Counsel will confirm the agreement in a letter specifying the length of the agreed-upon extension. If the requestor or person who made the request does not agree to an extension, the Commission will continue to search for and/or assess the record and will advise the person who made the request of further developments; but that person may file a complaint in an appropriate United States district court.

(l) Subject to the application for review and judicial stay provisions of paragraphs (h) and (i) of this section, if the request is granted, the records will be produced for inspection at the earliest possible time.

(m) Staff orders and letters denying requests for inspection are signed by the official (or officials) who give final approval of their contents. If a request is denied by the Commission, notice of denial will set forth the names of the Commissioners participating in the decision.

(n) Records shall be inspected within 7 days after notice is given that they have been located and are available for inspection. After that period, they will be returned to storage, and additional charges may be imposed for again producing them.

(Secs. 4, 303, 307, 48 Stat., as amended, 1066, 1082, 1083; 47 U.S.C. 154, 303, 397; 47 FR 0.231(d))

§0.463 Demand by competent authority for the production of documents or testimony concerning information contained therein.

(a) In the event that a demand (subpoena, order or other demand) is made by a court or other competent authority outside the Commission for the production of records or files or for testimony concerning information contained therein, the Managing Director shall promptly be advised of such demand, the nature of the papers or information sought, and all other relevant facts and circumstances. The Commission will thereupon issue such instructions as it may deem advisable.

(b) Unless specifically authorized to produce such records or files or to testify with respect thereto, any officer or employee of the Commission who is served with a demand for the production of records or files or testimony concerning the same, shall appear in response to the demand and respectfully decline to produce such records or files or to testify concerning them, basing the refusal upon this rule.

§0.465 Request for copies of materials which are available, or made available, for public inspection.

(a) The Commission awards a contract to a commercial duplication firm to make copies of Commission records and offer them for sale to the public. In addition to the charge for copying, the contractor may charge a search fee for extracting the requested documents from the Commission's files.

NOTE: The name, address, telephone number, and schedule of fees for the current duplication contractor are published annually at the time of contract award or renewal in a Public Notice. This information may be obtained from the Office of Congressional and Public Affairs, Consumer Assistance and Small Business Division, Telephone (202) 632-7000.

(b) The Commission awards a contract to a commercial firm to transcribe Commission proceedings in which a verbatim record is kept and to

offer copies of the transcript for sale to the public. Except as authorized by the Commission, the firm is required to retain the capacity to furnish copies of the transcript for a period of 5 years, and may retain that capacity for a longer period, even though another firm is currently transcribing Commission proceedings. Requests for copies of the transcript of the current proceedings should be directed to the current contractor. Requests for transcripts of older proceedings will be forwarded by the Commission to the firm which made the transcript in question; and the names of contracting firms for past years will be furnished upon request.

NOTE: The name, address, telephone number, and schedule of fees for the current transcription contractor are published annually at the time of contract award or renewal in a Public Notice. This information may be obtained from the Office of Congressional and Public Affairs, Consumer Assistance and Small Business Division, Telephone (202) 632-7000.

(c)(1) Contractual arrangements which have been entered into with commercial firms, as described in this section, do not in any way limit the right of the public to inspect Commission records or to extract therefrom whatever information may be desired. Coin-operated copy machines are available for use by the public in various reference rooms for the purpose of duplicating records available at those locations. In addition, any person may make photocopies of Commission records with his or her own equipment at locations where those records may be inspected. Prior approval for such arrangements, which must be obtained from the Operations Support Division, Office of Managing Director, is subject to the availability of adequate space and facilities to accommodate the user's equipment.

(2) The Commission has reserved the right to make copies of its records for its own use or for the use of other agencies of the U.S. Government. When it serves the regulatory or financial interests of the U.S. Government, the Commission will make and furnish copies of its records free of charge. In other circumstances, however, if it should be necessary for the Commission to make and furnish copies of its

records for the use of others, the fee for this service shall be 17 cents per page. For copies prepared with other media, such as computer tapes, microfiche or videotape, the charge will be the actual direct cost including operator time. Requests for copying should be accompanied by a statement specifying the maximum copying fee the person making the request is prepared to pay. If the Commission estimates that copying charges are likely to exceed \$25 or the amount which the requester has indicated that he/she is prepared to pay, then it shall notify the requester of the estimated amount of fees. Such a notice shall offer the requester the opportunity to confer with Commission personnel with the object of revising or clarifying the request.

NOTE: The criterion considered in acting on a waiver request is whether "waiver or reduction of the fee is in the public interest because furnishing the information can be considered as primarily benefiting the general public." 5 U.S.C. 552(a)(4)(A). The following factors are relevant in applying that criterion: the number of persons to be benefited, the significance of the benefit, the private interest of the requester which the release may further, the usefulness of the materials to be released to the general public and the likelihood that a tangible public benefit will be realized. (See Attorney General's 1974 FOI Amtds. Memorandum, at 15.)

(3) Requests for copies by representatives of foreign governments or persons residing in foreign countries shall be submitted to the General Counsel and will be reviewed by the General Counsel under criteria established by the Department of Commerce for controlling the export of technical data.

(4) Certified Documents. Copies of documents which are available or made available, for inspection under §§ 0.451 through 0.465, will be prepared and certified, under seal, by the Secretary, or for documents located in the Commission's Gettysburg, Pennsylvania Office by his deputy. Requests shall be in writing, specifying the exact documents, the number of copies desired, and the date on which they will be required. The request shall allow a reasonable time for the preparation and certification of copies. The fee for preparing copies shall be the same as that

charged by the Commission as described in §0.465(c)(2). The fee for certification shall be \$10 for each document.

(d)(1) Copies of computer maintained data bases produced by the Commission may be obtained from the National Technical Information Service (NTIS), Department of Commerce, in the form of machine-readable media, e.g., magnetic tapes, microfiche, or diskettes. These materials are not available to the general public directly from the Commission. Data bases produced on magnetic tape and microfiche by the Commission are listed in two catalogs which may be obtained from NTIS. Extracts from these catalogs pertaining to the Commission are available without charge from the Office of Congressional and Public Affairs, Consumer Assistance and Small Business Division. The catalogs describe the data base, state the estimated fee for providing it, and specify ordering information. Periodic updates to computer maintained data bases, as they occur, will not be furnished in machine-readable form.

NOTE: The Commission awards a contract to provide the public with direct electronic access to a portion of the non-Government Master Frequency File data base released for access and residing on the contractor's computer system. The name, address, telephone number, and schedule of fees for the current contractor are published annually at the time of contract award or renewal in a Public notice. This information may be obtained from the Office of Congressional and Public Affairs, Consumer Assistance and Small Business Division, Telephone (202) 632-7000.

(2) Copies of computer generated data stored as paper printouts or on microfiche may also be obtained from the Commission's duplicating contractor (see paragraph (a) of this section).

(3) Copies of computer source programs and associated documentation produced by the Commission shall be obtained through the National Technical Information Service (NTIS), Department of Commerce. NTIS will forward each request to the Commission. If it can be determined that the requested program is available, the Commission will distribute the current edition to the requester. NTIS will act as billing agent for the Commission. NTIS

will bill the requester for the direct costs of production plus their overhead based on billing information provided by the Commission. Estimates of the total cost may be obtained from NTIS in advance. NTIS will not stock Commission source programs and documentation, nor will they maintain a catalog of Commission computer programs that may be available due to the large volume of programs and the frequency with which they are revised. Requests shall be limited to computer source programs and associated documentation in existence when the request is submitted; requests which require the Commission to produce unique computer programs, data bases and documentation, which are not part of its inventory at the time of the request, will not be honored. Likewise, periodic updates of these materials, as they occur, will not be furnished.

(4) The Commission reserves the right to distribute copies of its computer source programs and data bases to other entities as it sees fit, and when it serves the regulatory interests of the U.S. Government or the Commission, as determined by the Managing Director.

(e) This section has no application to printed publications, which may be purchased from the Superintendent of Documents or private firms (see §§0.411 through 0.420). Nor does it apply to application forms or information bulletins, which are prepared for the use and information of the public and are available upon request (see §§0.421 and 0.423).

(f) Anyone requesting copies of documents pursuant to this section may select either the Commission or the contractor to fulfill the request. If a request goes directly to the contractor, the requester will be charged by the contractor pursuant to the price list set forth in the latest contract. If a request goes directly to the Commission, it shall be sent to the Office of the Managing Director for appropriate processing according to the fee standards established under the FOIA.

[32 FR 10573, July 19, 1967, as amended at 41 FR 51610, Nov. 23, 1976; 45 FR 85028, Dec. 24, 1980; 49 FR 13368, Apr. 4, 1984; 51 FR 34982, Oct. 1, 1986; 52 FR 36774, Oct. 1, 1987; 53 FR 39093, Oct. 5, 1988]

§0.466 Definitions.

(a) For the purpose of §§0.467 and 0.468, the following definitions shall apply:

(1) The term *direct costs* means those expenditures which the Commission actually incurs in searching for and duplicating (and in case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits), and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses, such as costs of space, and heating or lighting the facility in which the records are stored.

(2) The term *search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material contained within documents. Such activity should be distinguished, however, from "review" of material in order to determine whether the material is exempt from disclosure (see paragraph (a)(3) of this section).

(3) The term *review* refers to the process of examining documents located in response to a commercial use request (see paragraph (a)(4) of this section) to determine whether any portion of a document located is exempt from disclosure. It also includes processing any documents for disclosure, e.g., performing such functions that are necessary to excise them or otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of FOIA exemptions.

(4) The term *commercial use* request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial interests of the requester. In determining whether a requester properly falls within this category, the Commission shall determine the use to which a re-

quester will put the documents requested. Where the Commission has reasonable cause to question the use to which a requester will put the documents sought, or where that use is not clear from the request itself, the Commission shall seek additional clarification before assigning the request to a specific category.

(5) The term *educational institution* refers to a preschool, a public or private elementary or secondary school, an institution or graduate higher education, an institution of professional education and an institution of vocational education, which operates a program or programs of scholarly research.

(6) The term *non-commercial scientific institution* refers to an institution that is not operated on a commercial basis as that term is referenced in paragraph (a)(4) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(7) The term *representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances where they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of "freelance" journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

§0.467 Search and review fees.

(a)(1) Subject to the provisions of this section, an hourly fee shall be charged for recovery of the full, allowable direct costs of searching for and reviewing records requested under §0.460(e) or §0.461, unless such fees are precluded or waived pursuant to §0.470. The fee is based on the grade level of the employee(s) who conducts the search, as specified in the following schedule:

Grade	Hourly fee
GS-1	8.84
GS-2	9.62
GS-3	10.85
GS-4	12.18
GS-5	13.62
GS-6	15.09
GS-7	16.87
GS-8	18.70
GS-9	20.64
GS-10	22.74
GS-11	24.98
GS-12	29.94
GS-13	35.60
GS-14	42.07
GS-15	49.49

NOTE: These fees will be modified periodically to correspond with modifications in the rate of pay approved by Congress.

(2) The fees in paragraph (a)(1) of this section were computed at step 5 of each grade level based on the General Schedule effective January 1997 and include 20 percent for personnel benefits.

(b) Search fees may be assessed for time spent searching, even if the Commission fails to locate the records or if the records are determined to be exempt from disclosure.

(c) The Commission shall charge only for the initial review, i.e., the review undertaken initially when the Commission analyzes the applicability of a specific exemption to a particular record. The Commission shall not charge for review at the appeal level of an exemption already applied. However, records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs of such a subsequent review, under these circumstances, are properly assessable.

(d) The fee charged will not exceed an amount based on the time typically re-

quired to locate records of the kind requested.

(e) If the Commission estimates that search charges are likely to exceed \$25 or the amount which the requester indicated he/she is prepared to pay, then it shall notify the requester of the estimated amount of fees. Such a notice shall offer the requester the opportunity to confer with Commission personnel with the object of revising or clarifying the request.

(f) When the search has been completed, the custodian of the records will give notice of the charges incurred to the person who made the request.

(g) The fee shall be paid to the Financial Management Division, Office of Managing Director, or as otherwise directed by the Commission.

(h) Records shall be inspected within 7 days after notice is given that they have been located and are available for inspection. After that period, they will be returned to storage, and additional charges may be imposed for again producing them.

(Secs. 4, 303, 307, 48 Stat., as amended, 1066, 1082, 1083; 47 U.S.C. 154, 303, 397; 47 CFR 0.231(d))

§0.468 Interest.

Interest shall be charged those requesters who fail to pay the fees charged. The agency will begin assessing interest charges on the amount billed starting on the 31st day following the day on which the billing was sent. The date on which the payment is received by the agency will determine whether and how much interest is due. The interest shall be set at the rate prescribed in 31 U.S.C. 3717.

[53 FR 39094, Oct. 5, 1988]

§0.469 Advance payments.

(a)(1) The Commission may not require advance payment of estimated FOIA fees except as provided in subsection (a)(2) or where the Commission estimates or determines that allowable charges that a requester may be required to pay are likely to exceed

\$250.00 and the requester has no history of payment. Where allowable charges are likely to exceed \$250.00 and the requester has a history of prompt payment of FOIA fees the Commission may notify the requester of the estimated cost and obtain satisfactory assurance of full payment.

(2) Where a requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), the Commission may require the requester to pay the full amount owed plus any applicable interest as provided in § 0.468, and to make an advance payment of the full amount of the estimated fee before the Commission begins to process a new request or a pending request from that requester.

(3) When the Commission acts under paragraph (a) (1) or (2) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denials, plus permissible extensions of these time limits) will begin only after the agency has received the fee payments described above.

(b) [Reserved]

[53 FR 39094, Oct. 5, 1988]

§ 0.470 Assessment of fees.

(a)(1) Commercial use requesters. When the Commission receives a request for documents for commercial use, it will assess charges that recover the full direct cost of searching for, reviewing and duplicating the records sought pursuant to §§ 0.466 and 0.467, above.

(2) Educational and non-commercial scientific institution requesters and requesters who are representatives of the news media. The Commission shall provide documents to requesters in these categories for the cost of reproduction only, pursuant to § 0.465 above, excluding reproduction charges for the first 100 pages, provided however, that requesters who are representatives of the news media shall be entitled to a reduced assessment of charges only when the request is for the purpose of disseminating information.

(3) All other requesters. The Commission shall charge requesters who do not

fit into any of the categories above fees which cover the full, reasonable direct cost of searching for and reproducing records that are responsive to the request, pursuant to §§ 0.467 and 0.465 above, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge.

(b)(1) The 100 page restriction on assessment of reproduction fees in paragraphs (a)(2) and (a)(3) of this section refers to 100 paper copies of a standard size, which will normally be "8½ × 11" or "11 × 14," or microfiche containing the equivalent of 100 pages or 100 pages of computer printout. Requesters will not be entitled to 100 microfiche.

(2) When the agency reasonably believes that a requester or group of requesters is attempting to segregate a request into a series of separate individual requests for the purpose of evading the assessment of fees, the agency will aggregate any such requests and assess charges accordingly.

(c) When a requester believes he is entitled to a restricted fee assessment pursuant to paragraphs (a)(2) and (a)(3), of this section, or a waiver pursuant to paragraph (e) of this section, the requester must include, in his original FOIA request, a statement explaining with specificity, the reasons demonstrating that he/she qualifies for a restricted fee or a fee waiver. Included in this statement should be a certification that the information will not be used to further the commercial interests of the requester.

NOTE: Anyone requesting a restricted fee must submit the request directly to the Commission and not to the contractor who will provide documents only at the contract price.

(d) If the Commission reasonably believes that a commercial interest exists, based on the information provided pursuant to paragraph (c) of this section, the requester shall be so notified and given an additional 5 working days to provide further information to justify receiving a restricted fee. During this time period, the materials will be available for inspection to the extent that the time period exceeds the 10 or 20 day time period for responding to FOIA requests, as appropriate.

§0.471

(e) Copying, search and review charges shall be waived or reduced by the General Counsel, when "disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." 5 U.S.C. 552(a)(4)(A)(iii).

(f) The Commission shall not assess any fees if the routine cost of collecting the fee would be equal to or greater than the fee itself.

Subpart D—Mandatory Declassification of National Security Information

AUTHORITY: Secs. 4(i), 303(r), Communications Act of 1934, as amended (47 U.S.C. 154(i) and 303(r)).

SOURCE: 47 FR 53377, Nov. 26, 1982, unless otherwise noted.

§ 0.501 General.

Executive Order 12356 requires that information relating to national security be protected against unauthorized disclosure as long as required by national security considerations. The Order also provides that all information classified under Executive Order 12356 or predecessor orders be subject

to a review for declassification upon receipt of a request made by a United States citizen or permanent resident alien, a federal agency, or a state or local government.

§ 0.502 Purpose.

This subpart prescribes the procedures to be followed in submitting requests, processing such requests, appeals taken from denials of declassification requests and fees and charges.

§ 0.503 Submission of requests for mandatory declassification review.

(a) Requests for mandatory review of national security information shall be in writing, addressed to the Managing Director, and reasonably describe the information sought with sufficient particularity to enable Commission personnel to identify the documents containing that information and be reasonable in scope.

(b) When the request is for information originally classified by the Commission, the Managing Director shall assign the request to the appropriate bureau or office for action.

(c) Requests related to information, either derivatively classified by the Commission or originally classified by another agency, shall be forwarded, together with a copy of the record, to the originating agency. The transmittal may contain a recommendation for action.

§ 0.504 Processing requests for declassification.

(a) Responses to mandatory declassification review requests shall be governed by the amount of search and review time required to process the request. A final determination shall be made within one year from the date of receipt of the request, except in unusual circumstances.

(b) Upon a determination by the bureau or office that the requested material originally classified by the Commission no longer warrants protection, it shall be declassified and made available to the requester, unless withholding is otherwise authorized under law.

(c) If the information may not be declassified or released in whole or in part, the requester shall be notified as

to the reasons for the denial, given notice of the right to appeal the denial to the Classification Review Committee, and given notice that such an appeal must be filed within 60 days of the date of denial in order to be considered.

(d) The Commission's Classification Review Committee, consisting of the Managing Director (Chairman), the General Counsel or his designee, and the Chief, Internal Review and Security Division, shall have authority to act, within 30 days, upon all appeals regarding denials of requests for mandatory declassification of Commission-originated classifications. The Committee shall be authorized to overrule previous determinations in whole or in part when, in its judgment, continued classification is no longer required. If the Committee determines that continued classification is required under the criteria of the Order, the requester shall be promptly notified and advised that an application for review may be filed with the Commission pursuant to 47 CFR 1.115.

§0.505 Fees and charges.

(a) The Commission has designated a contractor to make copies of Commission records and offer them for sale (See §0.465).

(b) An hourly fee is charged for recovery of the direct costs of searching for requested documents (See §0.466).

§0.506 FOIA and Privacy Act requests.

Requests for declassification that are submitted under the provisions of the Freedom of Information Act, as amended, (See §0.461), of the Privacy Act of 1974, (See §0.554) shall be processed in accordance with the provisions of those Acts.

§0.551 Purpose and scope; definitions.

(a) The purpose of this subpart is to implement the Privacy Act of 1974, 5 U.S.C. 552(a), and to protect the rights of the individual in the accuracy and

privacy of information concerning him which is contained in Commission records. The regulations contained herein cover any group of records under the Commission's control from which information about individuals is retrievable by the name of an individual or by some other personal identifier.

(b) In this subpart:

(1) *Individual* means a citizen of the United States or an alien lawfully admitted for permanent residence;

(2) *Record* means any item, collection or grouping of information about an individual that is maintained by the Commission, including but not limited to, such individual's education, financial transactions, medical history, and criminal or employment history, and that contains such individual's name, or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or a photograph.

(3) *System of Records* means a group of records under the control of the Commission from which information is retrievable by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual;

(4) *Routine Use* means, with respect to the disclosure of a record, the use of such record for a purpose which is compatible with the purpose for which it was collected;

(a) The name and location of the system;

(b) The categories of individuals on whom records are maintained in the system;

(c) The categories of records maintained in the system;

(d) Each routine use of the records contained in the system, including the categories of users and the purposes of such use;

(e) The policies and practices of the agency regarding storage, retrievability, access controls, retention, and disposal of the records;

(f) The title and business address of the system manager;

(g) The address of the agency office to which inquiries should be addressed and the addresses of locations at which the individual may inquire whether a system contains records pertaining to himself;

(h) The agency procedures whereby an individual can be notified how access can be gained to any record pertaining to that individual contained in a system of records, and the procedure for correcting or contesting its contents; and

(i) The categories of sources of records in the system.

(Secs. 4(i) and 303(n), Communications Act of 1934, as amended, 47 U.S.C. 154(i) and 303(n); 47 CFR 0.231(d))

§ 0.553 New uses of information.

Before establishing a new routine use of a system of records, the Commission will publish a notice in the FEDERAL REGISTER of its intention to do so, and will provide at least 30 days for public comment on such use. The notice will contain:

(a) The name of the system of records for which the new routine use is to be established;

(b) The authority for the system;

(c) The categories of records maintained;

(d) The proposed routine use(s); and

(e) The categories of recipients for each proposed routine use.

§ 0.554 Procedures for requests pertaining to individual records in a system of records.

(a) Upon request, the Commission will notify individuals as to whether it maintains information about them in a system of records and, subject to the provisions of § 0.555(b), will disclose the

substance of such information to that individual. In order to properly request notification or access to record information, reference must be made to the Notice described in § 0.552. A table of contents, which is alphabetized by bureau or office, precedes the system descriptions and allows members of the public to easily identify record systems of interest to them. An individual may inquire into information contained in any or all systems of records described in the Notice. However, each inquiry shall be limited to information from systems located within a single bureau or office and shall be addressed to that bureau or office.

(b) Reasonable identification is required of all individuals making requests pursuant to paragraph (a) of this section in order to assure that disclosure of any information is made to the proper person.

(1) Individuals who choose to register a request for information in person may verify their identity by showing any two of the following: social security card; drivers license; employee identification card; medicare card; birth certificate; bank credit card; or other positive means of identification. Documents incorporating a picture and/or signature of the individual shall be produced if possible. If an individual cannot provide suitable documentation for identification, that individual will be required to sign an identity statement stipulating that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

NOTE: An individual's refusal to disclose his social security number shall not constitute cause in and of itself, for denial of a request.

(2) All requests for record information sent by mail shall be signed by the requestor and shall include his printed name, current address and telephone number (if any). Commission officials receiving such requests will attempt to verify the identity of the requestor by comparing his or her signature to those in the record. If the record contains no signatures and if positive identification cannot be made on the basis of other information submitted, the requestor will be required to sign an

identity statement and stipulate that knowingly or willfully seeking or obtaining access to records about another person under false pretense is punishable by a fine of up to \$5,000.

(3) If positive identification cannot be made on the basis of the information submitted, and if data in the record is so sensitive that unauthorized access could cause harm or embarrassment to the individual to whom the record pertains, the Commission reserves the right to deny access to the record pending the production of additional more satisfactory evidence of identity.

NOTE: The Commission will require verification of identity only where it has determined that knowledge of the existence of record information or its substance is not subject to the public disclosure requirements of the Freedom of Information Act, 5 U.S.C. 552, as amended.

(c) All requests for notification of the existence of record information or for access to such information shall be delivered to the business address of the system manager responsible for the system of records in question, except that requests relating to official personnel records shall be addressed to the Associate Managing Director—Personnel Management. Such addresses can be found in the FEDERAL REGISTER Notice described in §0.552.

(d) A written acknowledgement of receipt of a request for notification and/or access will be provided within 10 days (excluding Saturdays, Sundays, and legal public holidays) to the individual making the request. Such an acknowledgement may, if necessary, request any additional information needed to locate a record. A search of all systems of records identified in the individual's request will be made to determine if any records pertaining to the individual are contained therein, and the individual will be notified of the search results as soon as the search has been completed. Normally, a request will be processed and the individual notified of the search results within 30 days (excluding Saturdays, Sundays, and legal holidays) from the date the inquiry is received. However, in some cases, as where records have to be recalled from Federal Record Centers, notification may be delayed. If it is de-

termined that a record pertaining to the individual making the request does exist, the notification will state approximately when the record will be available for personal review. No separate acknowledgement is required if the request can be processed and the individual notified of the search results within the ten-day period.

§0.555 Disclosure of record information to individuals.

(a) Individuals having been notified that the Commission maintains a record pertaining to them in a system of records may request access to such record in one of three ways: by in person inspection at the system location; by transfer of the record to a nearer location; or by mail.

(1) Individuals who wish to review their records at the system location must do so during regular Commission business hours (8:00 a.m.–4:30 p.m., Monday through Friday). For personal and administrative convenience, individuals are urged to arrange to review a record by appointment. Preferences as to specific dates and times can be made by writing or calling the system manager responsible for the system of records in question at least two days in advance of the desired appointment date, and by providing a telephone number where the individual can be reached during the day in case the appointment must be changed. Verification of identity is required as in §0.554(b)(1) before access will be granted an individual appearing in person. Individuals may be accompanied by a person of his or her own choosing when reviewing a record. However, in such cases, a written statement authorizing discussion of their record in the presence of a Commission representative having physical custody of the records.

(2) Individuals may request that a record be transferred to a Commission field office or installation in the vicinity of his or her home and that access be granted at that location. The addresses of Commission field offices are listed in §0.121. A request to transfer

records must specify the exact location where the records should be sent and a telephone number to call when the information is available for review at the field location. Paragraph (a)(1) of this section regarding personal appointments, verification of identity accompanying persons, and disclosure of original records applies equally to this paragraph.

(3) Individuals may request that copies of records be sent directly to them. In such cases, individuals must verify their identity as § 0.554(b)(2) and provide an accurate return address. Records shall be sent only to that address.

(b) The disclosure of record information under this section is subject to the following limitations:

(1) Records containing medical information pertaining to an individual are subject to individual access under this section unless, in the judgment of the system manager having custody of the records after consultation with a medical doctor, access to such record information could have an adverse impact on the individual. In such cases, a copy of the record will be delivered to a medical doctor named by the individual.

(2) Classified material, investigative material compiled for law enforcement purposes, investigatory material compiled solely for determining suitability for federal employment or access to classified information, and certain testing or examination material shall be removed from the records to the extent permitted in the Privacy Act of 1974, 5 U.S.C. 552(a). Section 0.561 of this subpart sets forth the systems of records maintained by the Commission which are either totally or partially exempt from disclosure under this subparagraph.

(c) No fee will be imposed if the number of pages of records requested is 25 or less. Requests involving more than 25 pages shall be submitted to the duplicating contractor (see § 0.456(a)).

(d) The provisions of this section in no way give an individual the right to access any information compiled in reasonable anticipation of a civil action or proceeding.

(e) In the event that a determination is made denying an individual access to

records pertaining to that individual for any reason, such individual may either:

(1) Seek administrative review of the adverse determination. Such a request shall be in writing and should be addressed to the system manager who made the initial decision. In addition, the request for review shall state specifically why the initial decision should be reversed.

(2) Seek judicial relief in the district courts of the United States pursuant to paragraph (g)(1)(B) of the Act.

(Secs. 4(i) and 303(n), Communications Act of 1934, as amended, 47 U.S.C. 154(i) and 303(n); 47 CFR 0.231(d))

§ 0.556 Request to correct or amend records.

(a) An individual may request the amendment of information contained in their record. Except as otherwise provided in this paragraph, the request to amend should be submitted in writing to the system manager responsible for the records. Requests to amend the official personnel records of active FCC employees should be submitted to the Associate Managing Director—Personnel Management, Office of Managing Director, 1919 M Street, NW., Washington, D.C. 20554. Requests to amend official personnel records of former FCC employees should be sent to the Assistant Director for Work Force Information, Compliance and Investigations Group, Office of Personnel Management, 1900 E Street, NW., Washington, D.C. 20415. Any request to amend should contain as a minimum:

(1) The identity verification information required by § 0.554(b)(2) and the information needed to locate the record as required by § 0.554(a).

(2) A brief description of the item or items of information to be amended; and

(3) The reason for the requested change.

(b) A written acknowledgement of the receipt of a request to amend a record will be provided within 10 days (excluding Saturdays, Sundays, and legal public holidays) to the individual

requesting the amendment. Such an acknowledgement may, if necessary, request any additional information needed to make a determination. There will be no acknowledgement if the request can be reviewed, processed, and the individual notified of compliance or denial within the 10 day period.

(c) The responsible system manager, or in the case of official personnel records of active FCC employees, the Associate Managing Director—Personnel Management, shall (normally within 30 days) take one of the following actions regarding a request to amend:

(1) If the system manager agrees that an amendment to the record is warranted, the system manager shall:

(i) So advise the individual in writing;

(ii) Correct the record in compliance with the individual's request; and

(iii) If an accounting of disclosures has been made, advise all previous recipients of the fact that the record has been corrected and of the substance of the correction.

(2) If the system manager, after an initial review, does not agree that all or any portion of the record merits amendment, the system manager shall:

(i) Notify the individual in writing of such refusal to amend and the reasons therefore;

(ii) Advise the individual that further administrative review of the initial decision by the full Commission may be sought pursuant to the procedures set forth in §0.557. (In cases where the request to amend involves official personnel records, review is available exclusively from the Assistant Director for Work Force Information, Compliance and Investigations Group, Office of Personnel Management, Washington, DC 20415; and

(iii) Inform the individual of the procedures for requesting Commission review pursuant to §0.557.

(d) In reviewing a record in response to a request to amend, the system manager shall assess the accuracy, relevance, timeliness, or completeness of the record in light of each data element placed into controversy and the use of the record in making decisions that could possibly affect the individual. Moreover, the system manager shall adjudicate the merits of any request

to delete information based on whether or not the information in controversy is both relevant and necessary to accomplish a statutory purpose required of the Commission by law or executive order of the President.

(Secs. 4(i) and 303(n), Communications Act of 1934, as amended, 47 U.S.C. 154(i) and 303(n); 47 CFR 0.231(d))

§0.557 Administrative review of an initial decision not to amend a record.

(a) Individuals have 30 days from the date of the determination not to amend a record consistent with their request to seek further administrative review by the full Commission. Such a request shall be in writing and should be addressed to either the system manager who made the initial adverse decision, or, in the case of official personnel records of active FCC employees, to the Assistant Director for Work Force Information, Compliance and Investigations Group, Office of Personnel Management, Washington, DC 20415. Any request for administrative review must:

(1) Clearly identify the questions presented for review (e.g., whether the record information in question is, in fact, accurate; whether information subject to a request to delete is relevant and necessary to the purpose for which it is maintained);

(2) Specify with particularity why the decision reached by the system manager is erroneous or inequitable; and

(3) Clearly state how the record should be amended or corrected.

(b) The Commission shall conduct an independent review of the record in controversy using the standards of review set out in §0.556(d). It may seek such additional information as is necessary to make its determination. Final administrative review shall be completed not later than 30 days (excluding Saturdays, Sundays and legal public holidays) from the date on which the individual requests such review unless the Chairman determines that a fair and equitable review cannot be made within the 30 day period. In

such event, the individual will be informed in writing of the reasons for the delay and the approximate date on which the review is expected to be completed.

(c) If upon review of the record in controversy the Commission agrees with the individual that the requested amendment is warranted, the Commission will proceed in accordance with §0.556(c)(1) (i) through (iii).

(d) If after the review, the Commission also refuses to amend the record as requested, it shall:

(1) Notify the individual in writing of its refusal and the reasons therefore;

(2) Advise the individual that a concise statement of the reasons for disagreeing with the decision of the Commission may be filed;

(3) Inform the individual:

(i) That such a statement should be signed and addressed to the system manager having custody of the record in question;

(ii) That the statement will be made available to any one to whom the record is subsequently disclosed together with, at the Commission's discretion, a summary of its reasons for refusing to amend the record; and

(iii) That prior recipients of the record will be provided a copy of the statement of dispute to the extent that an accounting of such disclosures is maintained; and

(4) Advise the individual that judicial review of the Commission's decision not to amend the record in any district court of the United States is available.

(Secs. 4(i) and 303(n), Communications Act of 1934, as amended, 47 U.S.C. 154(i) and 303(n); 47 CFR 0.231(d))

§0.559 Disclosure of disputed information to persons other than the individual to whom it pertains.

If the Commission determines not to amend a record consistent with an individual's request, and if the individual files a statement of disagreement pursuant to §0.557(d)(2), the Commission shall clearly annotate the record so that the disputed portion becomes apparent to anyone who may subsequently have access to, use or disclose the record. A copy of the individual's statement of disagreement shall accompany any subsequent disclosure of the record. In addition, the Commission may include a brief summary of its reasons for not amending the record when disclosing the record. Such statements become part of the individual's record for granting access, but are not subject to the amendment procedures of §0.556.

§0.560 Penalty for false representation of identity.

Any individual who knowingly and willfully requests or obtains under false pretenses any record concerning an individual from any system of records maintained by the Commission shall be guilty of a misdemeanor and subject to a fine of not more than \$5,000.

§0.561 Exemptions.

The following systems of records are totally or partially exempt from subsections (c)(3), (d), (e)(1), (e)(4) (G), (H), and (I), and (f) of the Privacy Act of 1974, 5 U.S.C. 552(a), and from §§0.554 through 0.557 of this subpart:

Parts of this system of records are EXEMPT because they are maintained as a protective service for individuals described in section 3056 of title 18, and because they are necessary for Commission employees to perform their duties, pursuant to sections (k) (1), (2), and (3) of the Act.

(c) *System name.* Attorney Misconduct Files—FCC/OGC-2. This system of records is exempt pursuant to section 3(k)(2) of the Act because it is maintained for law enforcement purposes.

§0.601 Definitions.

For purposes of this section:

(a) The term *agency* means:

(1) The Commission,
(2) A board of Commissioners (see §0.212),

(3) The Telecommunications Committee (see §0.215), and

(4) Any other group of Commissioners hereafter established by the Commission on a continuing or *ad hoc* basis and authorized to act on behalf of the Commission.

(b) The term *meeting* means the deliberations among a quorum of the Commission, a Board of Commissioners, or a quorum of a committee of Commissioners, where such deliberations determine or result in the joint conduct of disposition of official agency business, except that the term does not include deliberations to decide whether a meeting should be open or closed. (The term includes conference telephone calls, but does not include the separate consideration of Commission business by Commissioners.) For purposes of this subpart each item on the agenda of a meeting is considered a meeting or a portion of a meeting.

[42 FR 12867, Mar. 7, 1977, as amended at 48 FR 56391, Dec. 21, 1983]

§0.602 Open meetings.

(a) All meetings shall be conducted in accordance with the provisions of this subpart.

(b) Except as provided in §0.603, every portion of every meeting shall be open to public observation. Observation does not include participation or disruptive conduct by observers, and persons engaging in such conduct will be removed from the meeting.

(c) The right of the public to observe open meetings does not alter those rules in this chapter which relate to the filing of motions, pleadings, or other documents. Unless such pleadings conform to the other procedural requirements of this chapter, pleadings

based upon comments or discussions at open meetings, as a general rule, will not become part of the official record, will receive no consideration, and no further action by the Commission will be taken thereon.

(d) Deliberations, discussions, comments or observations made during the course of open meetings do not themselves constitute action of the Commission. Comments made by Commissioners may be advanced for purposes of discussion and may not reflect the ultimate position of a Commissioner.

[42 FR 12867, Mar. 7, 1977, as amended at 45 FR 63491, Sept. 25, 1980]

§ 0.603 Bases for closing a meeting to the public.

Except where the agency finds that the public interest requires otherwise, an agency or advisory committee meeting may be closed to the public, and information pertaining to such meetings which would otherwise be disclosed to the public under § 0.605 may be withheld, if the agency determines that an open meeting or the disclosure of such information is likely to:

(a) Disclose matters that: (1) Are specifically authorized under criteria established by executive order to be kept secret in the interest of national defense or foreign policy, and (2) are in fact properly classified pursuant to such executive order (see § 0.457(a));

(b) Relate solely to the internal personnel rules and practices of an agency (see § 0.457(b));

(c) Disclose matters specifically exempted from disclosure, by statute (other than the Freedom of Information Act, 5 U.S.C. 552). *Provided*, That such statute (1) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (2) establishes particular criteria for withholding or refers to particular types of matters to be withheld (see § 0.457(c));

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential (see § 0.457(d));

(e) Involve accusing any person of a crime or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would con-

stitute a clearly unwarranted invasion of personal privacy (see § 0.457(f));

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would (1) interfere with enforcement proceedings, (2) deprive a person of a right to a fair trial or an impartial adjudication, (3) constitute an unwarranted invasion of personal privacy, (4) disclose the identity of a confidential source, and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source, (5) disclose investigative techniques and procedures, or (6) endanger the life or physical safety of law enforcement personnel;

(h) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except where the agency has already disclosed to the public the content or nature of the disclosed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or

(j) Specifically concern the agency's issuance of a subpoena, or the agency's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the agency of a particular case of formal agency adjudication pursuant to the procedures specified in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for hearing.

§ 0.605 Procedures for announcing meetings.

(a) Notice of all open and closed meetings will be given.

(b) The meeting notice will be submitted for publication in the FEDERAL REGISTER on or before the date on which the announcement is made. Copies will be available in the Press and News Media Division on the day the announcement is made. Copies will also be attached to "FCC Actions Alert", which is mailed to certain individuals and groups who have demonstrated an interest in representing the public in Commission proceedings.

(c)(1) If the agency staff determines that a meeting should be open to the public, it will, at least one week prior to the meeting, announce in writing the time, place and subject matter of the meeting, that it is to be open to the public, and the name and phone number of the Chief, Press and News Media Division, who has been designated to respond to requests for information about the meeting.

(2) If the staff determines that a meeting should be closed to the public, it will refer the matter to the General Counsel, who will certify that there is (or is not) a legal basis for closing the meeting to the public. Following action by the General Counsel, the matter may be referred to the agency for a vote on the question of closing the meeting (See §0.606).

(d)(1) If the question of closing a meeting is considered by the agency but no vote is taken, the agency will, at least one week prior to the meeting, announce in writing the time, place and subject matter of the meeting, that it is to be open to the public, and the name and phone number of the Chief, Press and News Media Division.

(2) If a vote is taken, the agency will, in the same announcement and within one day after the vote, make public the vote of each participating Commissioner.

(3) If the vote is to close the meeting, the agency will also, in that announcement, set out a full written explanation of its action, including the applicable provision(s) of §0.603, and a list of persons expected to attend the meeting, including Commission personnel, together with their affiliations. The Commissioners, their assistants, the General Counsel, the Executive Director, the Chief, Press and News Media Division, and the Secretary are ex-

pected to attend all Commission meetings. The appropriate Bureau or Office Chief and Division Chief are expected to attend meetings which relate to their responsibilities (see subpart A of this part).

(4) If a meeting is closed, the agency may omit from the announcement information usually included, if and to the extent that it finds that disclosure would be likely to have any of the consequences listed in §0.603.

(e) If the prompt and orderly conduct of agency business requires that a meeting be held less than one week after the announcement of the meeting, or before that announcement, the agency will issue the announcement at the earliest practicable time. In addition to other information, the announcement will contain the vote of each member of the agency who participated in the decision to give less than seven days notice and will specify the nature of the emergency situation if it is not clear from the subject matter.

(f) If, after announcement of a meeting, the time or place of the meeting is changed or the meeting is cancelled, the agency will announce the change at the earliest practicable time.

(g) If the subject matter or the determination to open or close a meeting is changed, the agency will publicly announce the change and the vote of each member at the earliest practicable time. The announcement will contain a finding that agency business requires the change and that no earlier announcement of the change was possible.

(47 U.S.C. 154, 155, 303)

[42 FR 12867, Mar. 7, 1977, as amended at 44 FR 12425, Mar. 7, 1979; 44 FR 70472, Dec. 7, 1979]

§0.606 Procedures for closing a meeting to the public.

(a) For every meeting closed under §0.603, the General Counsel will certify that there is a legal basis for closing the meeting to the public and will state each relevant provision of §0.603. The staff of the agency will refer the matter to the General Counsel for certification before it is referred to the agency for a vote on closing the meeting. Certifications will be retained in a

public file in the Minute and Rules Branch, Office of the Secretary.

(b) The agency will vote on the question of closing a meeting.

(1) If a member of the agency requests that a vote be taken;

(2) If the staff recommends that a meeting be closed and one member of the agency requests that a vote be taken; or

(3) If a person whose interests may be directly affected by a meeting requests the agency to close the meeting for any of the reasons listed in § 0.603 (e), (f) or (g), or if any person requests that a closed meeting be opened, and a member of the agency requests that a vote be taken. (Such requests may be filed with the Secretary at any time prior to the meeting and should briefly state the reason(s) for opening or closing the meeting. To assure that they reach the Commission for consideration prior to the meeting, they should be submitted at the earliest practicable time and should be called specifically to the attention of the Secretary—in person or by telephone. It will be helpful if copies of the request are furnished to the members of the agency and the General Counsel. The filing of a request shall not stay the holding of a meeting.)

(c) A meeting will be closed to the public pursuant to § 0.603 only by vote of a majority of the entire membership of the agency. The vote of each participating Commissioner will be recorded. No Commissioner may vote by proxy.

(d) A separate vote will be taken before any meeting is closed to the public and before any information is withheld from the meeting notice. However, a single vote may be taken with respect to a series of meetings proposed to be closed to the public, and with respect to information concerning such series of meetings (a vote on each question, if both are presented), if each meeting involves the same particular matters and is scheduled to be held no later than 30 days after the first meeting in the series.

(e) Less than seven days notice may be given only by majority vote of the entire membership of the agency.

(f) The subject matter or the determination to open or close a meeting will be changed only if a majority of the entire membership of the agency

determines by recorded vote that agency business so requires and that no earlier announcement of the change was possible.

§ 0.607 Transcript, recording or minutes; availability to the public.

(a) The agency will maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting closed to the public, except that in a meeting closed pursuant to paragraph (h) or (j) of § 0.603, the agency may maintain minutes in lieu of a transcript or recording. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote. All documents considered in connection with any item will be identified in the minutes.

(b) A public file of transcripts (or minutes) of closed meetings will be maintained in the Minute and Rules Branch, Office of the Secretary. The transcript of a meeting will be placed in that file if, after the meeting, the responsible Bureau or Office Chief determines, in light of the discussion, that the meeting could have been open to the public or that the reason for withholding information concerning the matters discussed no longer pertains. Transcripts placed in the public file are available for inspection under § 0.460. Other transcripts, and separable portions thereof which do not contain information properly withheld under § 0.603, may be made available for inspection under § 0.461. When a transcript, or portion thereof, is made available for inspection under § 0.461, it will be placed in the public file.
