

the FEDERAL REGISTER and on its website the manner of payment and dates by which payments must be made. An officer of the contributor must certify to the truth and accuracy of the Universal Service Worksheet, and the Commission or the Administrator may verify any information contained in the Universal Service Worksheet at the discretion of the Commission. Inaccurate or untruthful information contained in the Universal Service Worksheet may lead to prosecution under the criminal provisions of Title 18 of the United States Code. The Administrator shall advise the Commission of any enforcement issues that arise and provide any suggested response.

(b) The Commission shall have access to all data reported to the Administrator, Rural Health Care Corporation, and Schools and Libraries Corporation. Contributors may make requests for Commission nondisclosure of company-specific information under §0.459 of this chapter at the time that the subject data are submitted to the Administrator. The Commission shall make all decisions regarding nondisclosure of company-specific information. The Administrator, Rural Health Care Corporation, and Schools and Libraries Corporation shall keep confidential all data obtained from contributors, shall not use such data except for purposes of administering the universal service support programs, and shall not disclose such data in company-specific form unless directed to do so by the Commission.

(c) The Bureau may waive, reduce, or eliminate contributor reporting requirements that prove unnecessary and require additional reporting requirements that the Bureau deems necessary to the sound and efficient administration of the universal service support mechanisms.

§ 54.713 Contributors' failure to report or to contribute.

A contributor that fails to file a Universal Service Worksheet and subsequently is billed by the Administrator shall pay the amount for which it is billed. The Administrator may bill a contributor a separate assessment for

reasonable costs incurred because of that contributor's filing of an untruthful or inaccurate Universal Service Worksheet, failure to file the Universal Service Worksheet, or late payment of contributions. Failure to file the Universal Service Worksheet or to submit required quarterly contributions may subject the contributor to the enforcement provisions of the Act and any other applicable law. The Administrator shall advise the Commission of any enforcement issues that arise and provide any suggested response. Once a contributor complies with the Universal Service Worksheet filing requirements, the Administrator may refund any overpayments made by the contributor, less any fees, interest, or costs.

PART 59—INFRASTRUCTURE SHARING

Sec.

- 59.1 General duty.
- 59.2 Terms and conditions of infrastructure sharing.
- 59.3 Information concerning deployment of new services and equipment.
- 59.4 Definition of "qualifying carrier".

AUTHORITY: 47 U.S.C. 154(i), 154(j), 201–205, 259, 303(r), 403.

SOURCE: 62 FR 9713, Mar. 4, 1997, unless otherwise noted.

§ 59.1 General duty.

Incumbent local exchange carriers (as defined in 47 U.S.C. section 251(h)) shall make available to any qualifying carrier such public switched network infrastructure, technology, information, and telecommunications facilities and functions as may be requested by such qualifying carrier for the purpose of enabling such qualifying carrier to provide telecommunications services, or to provide access to information services, in the service area in which such qualifying carrier has obtained

designation as an eligible telecommunications carrier under section 214(e) of 47 U.S.C.

§59.2 Terms and conditions of infrastructure sharing.

(a) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be required to take any action that is economically unreasonable or that is contrary to the public interest.

(b) An incumbent local exchange carrier subject to the requirements of section 59.1 may, but shall not be required to, enter into joint ownership or operation of public switched network infrastructure, technology, information and telecommunications facilities and functions and services with a qualifying carrier as a method of fulfilling its obligations under section 59.1.

(c) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be treated by the Commission or any State as a common carrier for hire or as offering common carrier services with respect to any public switched network infrastructure, technology, information, or telecommunications facilities, or functions made available to a qualifying carrier in accordance with regulations issued pursuant to this section.

(d) An incumbent local exchange carrier subject to the requirements of section 59.1 shall make such public switched network infrastructure, technology, information, and telecommunications facilities, or functions available to a qualifying carrier on just and reasonable terms and pursuant to conditions that permit such qualifying carrier to fully benefit from the economies of scale and scope of such local exchange carrier. An incumbent local exchange carrier that has entered into an infrastructure sharing agreement pursuant to section 59.1 must give notice to the qualifying carrier at least sixty days before terminating such infrastructure sharing agreement.

(e) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be required to engage in any infrastructure sharing agreement for any services or access which are to be provided or offered to consumers by the qualifying carrier in

such local exchange carrier's telephone exchange area.

(f) An incumbent local exchange carrier subject to the requirements of section 59.1 shall file with the State, or, if the State has made no provision to accept such filings, with the Commission, for public inspection, any tariffs, contracts, or other arrangements showing the rates, terms, and conditions under which such carrier is making available public switched network infrastructure, technology, information and telecommunications facilities and functions pursuant to this part.

§59.3 Information concerning deployment of new services and equipment.

An incumbent local exchange carrier subject to the requirements of section 59.1 that has entered into an infrastructure sharing agreement under section 59.1 shall provide to each party to such agreement timely information on the planned deployment of telecommunications services and equipment, including any software or upgrades of software integral to the use or operation of such telecommunications equipment.

§59.4 Definition of "qualifying carrier".

For purposes of this part, the term "qualifying carrier" means a telecommunications carrier that:

(a) Lacks economies of scale or scope; and

(b) Offers telephone exchange service, exchange access, and any other service that is included in universal service, to all consumers without preference throughout the service area for which such carrier has been designated as an eligible telecommunications carrier under section 214(e) of 47 U.S.C.
